## Team with Windstar and Improve NRA Compliance

An *International Tax Navigator*® software license offers you so much more than access to software. Pay foreign persons with this comprehensive solution for your nonresident alien (NRA) tax compliance needs. In-depth support and training from *Windstar* gives you the resources you need to stay compliant and understand the layers of rules surrounding tax and immigration issues.

### Streamline Your NRA Tax Processing

Use the most up-to-date and cost-effective software product available to navigate the complex challenges of compliance with U.S. tax and immigration rules for payments to foreign workers, scholars, and international visitors. *International Tax Navigator* offers industry-leading software support to help you decipher the rules, regulations, and processes to bring your organization into IRS compliance.

*Tax Navigator* currently has two-way interfaces with...

- Oracle | PeopleSoft HRMS
- SunGard HE Banner HR
- Oracle HRMS

A one-way interface is available for High Line HRMS. *Windstar* is also developing interfaces with SAP and ADP. In addition, *Tax Navigator's* web based data collection and forms delivery tool, the *Foreign National Information System (FNIS™)*, allows your foreign national workers and students to enter their data via the web, saving you data entry time and helping to ensure accurate demographic information.

### Get The Most Out of Your Software with Windstar's Exceptional Support and Extensive Content

*Windstar* clients receive access to comprehensive support and content with **no hidden fees**. All clients receive free new-user and refresher telephone and web-based training.

Access *Windstar's* clients-only electronic content including...

- The *Windstar Users Website* – a searchable database of thousands of frequently asked questions answered by *Windstar* and government experts as well as other resources on tax and immigration related rules and procedures updated frequently
- The *Windstarusers Listserv* – an e-mail forum that allows you to post questions on technical and compliance issues and have them answered by your colleagues and *Windstar's* experts
- *TaxHelp* – a confidential resource for answers to questions from *Windstar's* nationally renowned experts

*Windstar* also offers nonresident alien tax training workshops that educate attendees on how to get the most out of *Windstar's* software and services. The trainings also include sessions on tax and immigration issues and the proper practices for achieving and maintaining compliance.
